

# Essential Range Mallet Percussion Chart

The chart displays the essential range of mallet percussion on a grand staff. The top staff shows a descending scale from G4 to C3. The bottom staff shows an ascending scale from C3 to G4. The middle section consists of 17 vertical boxes, each representing a pitch. Each box contains two sets of fingerings: the top set for the right hand and the bottom set for the left hand. Arrows indicate the correlation between the musical notes and the fingerings.
