

Charms Recording Assessments

Why are we doing this?

Individual feedback is the best way for us to improve as musicians. In order to be as successful as we can at LGPE, each student has to be able to play his/her part independently to mastery. Every single player matters!

FAQ:

Do I have to use Charms?

Yes

What if I don't have a computer or phone?

You may schedule a time prior to the due date to play for Mr. Fermin or Ms. Cavender.

What if I'm having problems uploading?

You may use your phone's "voice memo" and email the file to Mr. Fermin or Ms. Cavender.

The email must still be sent by the due date.

FAQ:

Can I play live for a director?

*Yes, but those must be scheduled **IN ADVANCE**. Do not just show up one morning or afternoon and expect to play for a director. No “live” playing assessments will be done on the due date. They must all be done prior to when the assignment is due.*

What type of assignment is this? Major, minor, daily?

All Charms recordings are minor assessments.
