Welcome to The V!

Thank You for Joining Us!

We are so excited to have you here tonight to listen to what our students have been working on this semester in preparation for our LGPE Performances later this semester in March.

Large Group Performance Evaluation, or LGPE for short, is an annual Concert Festival that takes place all across Georgia within individual music Districts of GMEA. At this event, the performance of our band is judged and scored by a panel of highly qualified and experienced Band Judges. This performance is essentially our “state testing” for Band Class!

We are fortunate to have some local judges with us for both concerts this week. They will be giving live commentary and feedback via audio recordings, as well as following along with a score of our music to give written adjudication as well. We are grateful they are with us tonight!
