Small Ensemble?

What's that?

We're glad you asked!

Historically, the VHS Band Program has dedicated rehearsal time during our Spring Semester to smaller ensembles within our program, namely the Jazz and Percussion Ensembles. This year we are very fortunate to also have added the VHS Flute Choir into the mix! Students in these ensembles are typically playing very difficult music, or are the only person playing their part, making their individual responsibility and contribution as a musician much more significant.

We also get the opportunity to perform music that is outside of the genre of our typical Concert Band pieces, which gives our students a great opportunity to learn about other musical genres, cultures, and performance opportunities!

Thank you for joining us tonight, and we hope you enjoy the show!
